We're extremely pleased to be offering this lovely GSXR750K8 for sale. It has a full service history which will include another service when we sell it as well as a full 12 month MOT. We have both original keys and 2 alarm fobs for the Datatool system 4 alarm/immobiliser. There are a few sensible additions to the largely std machine, these include R+G frame protectors, bar ends and bobbins as well as a tinted double bubble screen. To add a little extra to the already stunning looks it is fitted with Suzuki logo wheel graphics. As with all our bikes it is of course HPI clear and will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £5795
