WINCHESTER OXBLOOD LEATHER 3 SEATER 2 SEATER PLUS POUFFE (350 GBP)

Location Wales, Carmarthenshire https://www.freeadsz.co.uk/x-276778-z

This timeless classic graces both modern and traditional room interiors and is manufactured from the finest materials by time served craftsmen in our Lancashire factory. Right from the start all the materials used are hand picked to produce a high quality piece of furniture. All the frames used are solid beech hardwood which is glued, screwed and dowelled in construction to produce a very strong and sturdy base. All the foams used are F.F.R medium density. Along with hand deep buttoned top quality upholstery hide making each piece as individual as the next.

Winchester furniture - Leather chesterfield 3+2 seater with pouffe. These are upholstered in the classic red/oxblood leather in traditional chesterfield style, they have the deep buttoned cushion style back with deep buttoned arms, all the buttons are solid and intact. These have castor feet, as well as the pouffe.

The suite is in very good used condition and has had regular leather maintenance. These have no major or serious damage other than the odd minor surface mark and odd mark around the edges.

I do aim to give an honest, accurate and fair description of the items I sell. If you require any further information you can message or phone me. Viewings are welcome I am 10 miles from Carmarthen, 7 miles from.
