I have for sale this beautiful solid Tetrad Style two seater sofa.

This sofa is of fantastic quality built frame with thick leather arms and sides with aztec fabric back and cushions. The back of the sofa is arched and all the fabric edging is piped for that extra solid finish. The back and seat cushions are solid with no sagging and have leather protection over the zips. Large bun wooden feet, can be unscrewed for transport.

This sofa is of solid construction and is in very good used condition it has no damage other than the odd minor surface mark and odd mark around the edges. Please bear in mind this sofa is not new and will show signs of wear as expected.

I do aim to give an honest, accurate and fair description of the items I sell. If you require any further information you can message or phone me. Viewings are welcome I am 10 miles from Carmarthen, 7 miles from.
