Very economical car, 65-70 mpg, cheap to insure, very low Road tax.
 Remote central locking
 Electric Windows
 Excellent runner, two previous owner.
 Full service history except once forgot to enter in the book
 Very good sound system with Sony cd player with option for USB and Aux input
 Very good grip put on steering wheel
 Always used nitro plus diesel, very clean engine.
 I have a bunch of receipts spend a lot on car to keep condition
 There are scuffs, scratches as you would expect with the age of car and one small crack on back bumper left side. Wheel trims have been changed due to wear and tear, Pictures taken after washing and car is in constant use with 122k miles on clock.
 If you looking for very good engine and good economical car then this is for you.
