**We are** a consultancy practise dedicated to SMEs and new start-up businesses. We specialise in working as a business consultant with pre start-ups, recent start ups and established small to medium sized businesses which have a specific goal. This may be to accelerate business growth, improve revenue and profitability, expand and grow the business, explore and move into new market sectors or aim to survive and consolidate in this ever challenging climate.

**We also provide** comprehensive solutions for successfully launching a new business. This includes the development of business plans through to our highly popular service 'Starting A New Business'. This package includes everything required to launch a new business and hit the ground running.

**We offer** daily, weekly, monthly and long term solutions to suit your exact needs and budget.

**Our fees are competitive;** we offer a free of charge consultation and provide our services UK wide.
