

Period Glass Cabinet (150 GBP)

Location **South West, Devon**

This beautiful Period Cabinet belonged to my parents, They paid a lot of money for it quite recently, in the region of £700!! There's a light inside which illuminates your precious things wonderfully, and there's a shallow drawer at the bottom. Four glass shelves, Glass sides and Glass doors and the inside back is mirrored, so an item displayed can be seen all round. Sensible offers will be considered, even though we have put a price at the top, as this needs to leave us before a wall can be demolished, and potentially damage the Cabinet! Size : Height 1440mm (57")plus 90mm (3 1/2") back stand Width 820mm (32") Depth 340mm (13 1")
