Here we have an immaculate 2013 Tiger 800 XC. The bike is in untouched/standard condition, just as it came out of the crate. The bike comes with all original keys and manuals as were supplied new. The paintwork is in great condition and has been fully polished by our on-site valet. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. Also fitted with a centre stand to make washing and maintenance a whole lot easier. Adjustable heated grips are fitted on this bike for the cold days. A Top Box is also fitted to this bike, very useful for commuting to work or carrying your waterproofs in case the rain comes. A Hugger has been fitted not only for looks but to keep the dirt from the road hitting the paintwork. Fitted with hand guards, these really are a blessing on cold days. Grab handles are fitted to make carrying pillion passengers easier. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the rider's jacket. This bike has recently had new chain and sprockets, saving you money and giving you confidence in the drive train of the bike. This bike has a digital instrument display making it quicker and easier to see your riding information while riding. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. *NOTE: Alarms can be fitted to any bike at an additional cost**
