Jaw dropping with its renowned glossy red paint, This 848 is the Evo edition which has tweaks to the engine to give more BHP and torque. Impressive handling from the fully adjustable suspension and top of the range brakes tells you that this is a premium product and not your usual run of the mill sports bike. In Superb condition throughout and with full service history as well as all three keys and books this low mileage example will come with a full MOT and oil and filter change for the new owner. Call 01782 845840 to find out about PCP plan on this.
