Here we have an immaculate 2013 Kawasaki Z800. With so few miles on the clock, the bike is only just run in. The bike is in untouched/standard condition, just as it came out the crate. This bike has a documented service history and has had no expense spared in maintaining it. The bike comes with all original keys and manuals as were supplied new. The paintwork is in great condition and has been fully polished by our on-site valet. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. A Tail tidy has been added to the bike to give a more racing look and de-clutter to back end. A Hugger has been fitted not only for looks but to keep the dirt from the road hitting the paintwork. Top spec engine protectors have been fitted just in case the worst should happen. Saving your panels and wallet from taking a battering. Being Fitted with Adjustable Brake and Clutch levers enables the rider to set up the bike as they want it. The bike has also been fitted with a performance exhaust, this allows more of a growl upon acceleration and also allows the throttle to be a lot more responsive. This bike has a digital instrument display making it quicker and easier to see your riding information while riding. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. *NOTE: Alarms can be fitted to any bike at an additional**,
