is your desktop or laptop running slow? do you want to upgrade to Windows 10 before the free offer runs out or have you upgraded to windows 10 and the PC is still sluggish? I offer a repair/clean/upgrade service. I also use a secure remote after sales service that is controlled by you. Windows 10 upgrade is only available until approx. july so get it upgraded for free [software is free but labour is not] Contact me at ask any questions you want. I cover the Enfield/ Hertfordshire/Essex area. but you can always email me for advice.;
