The iconic Yamaha XJR1300 is one of and still is the most beautiful looking muscle bike that we have had grace our English roads. This stunning example is just that and comes in Yamaha's gloss black, which most people would say is its best colour. It has been immaculately looked after by a local customer to us and was an ex demo from another local dealer. 1st service was done at 544 on the 27/03/2014 and will be serviced by us on its sale along with our 12 month warranty and roadside assistance. It comes with a front fly screen and has been given a belly pan to protect the beautifully polished down pipes. All in all if you are looking a big four cylinder muscle bike look no further this is a great example with low mileage and spotless!! It also comes with full HPI check, Yamaha Service history, MOT and.
