This car is loaded with all the must have optional extras. I honestly searched for a few months to find a car this mint and well spec'd, to view a lot of so many badly abused examples. This car is mint, has great history and been truly cared for by me and the only 2 previous owners (1 owner but changed from his company name to his personal car, in which he had two m3s and this was the one only he drove). 2009 Loaded with: DCT - Dual Clutch transmission EDC - Electronic damper control (3 way setting) Front and rear parking sensors Carbon leather interior upgrade - dash and center console Heated seats Auto beam assist 19 forged upgrade wheels High Gloss shadow line (Plastics around doors and mirrors) Cruise control Carbon lip spoiler And all the standard M3 Options inc professional Nav etc The previous owner also added a AC Schnitzer rear box and connecting pipes, which sounds incredible and unleashes that V8 sound (rrp £2000) Front bumper has been professionally smoothed (removed plate holes). As I have a stubby plate and it creates such smooth lines on the front. Has FBSSH all being from the same garage by previous owner, Had the absolute must have 1200 mile run in service done by Bmw Recent new discs and front ferodo ds2500 pads 12 months MOT Fully HPI clear inc no finance The car is never dirty, and only ever cleaned by myself using the two bucket method and with acid-free cleaners from high quality brands. It truly is a mint car and it needs to be seen to be appreciated. The car has been dry stored since Nov last year, the car does now say it requires a service (Feb 2016) but this is age related and not mileage, showing 8000Miles still. I have remarketed the car due to this as I am not using the car, allowing the new owner to have it serviced as they wish. Its now a very well priced car due to me not using it and needing a.
