A wonderful car that regrettably has to be sold as just not being driven! Great fun with the roof down on sunny days and has always been a reliable first time starter. Keen to ensure that it goes to a good home and guaranteed to be enjoyed. Looking for a quick sale as MOT finishing on the 18th March. Important to note it has only been driven 1,000 miles since the last MOT when it also had two front tyres. Needs to be seen and is.
