We are here to help your business get the recognition it deserves online. Web design and development, content marketing, social media management and SEO is what we're all about. With prices starting at £599 for a website built from scratch, we offer a quality and individual product at an affordable price. We offer three main price points of website - £599, £999 and £1499. There are other bespoke packages available. More details are on our website. We also offer all the services you need to direct traffic to your own website, and convert them into customers. Content marketing, social media management and SEO being at the core of what we do. You can expect it to be fun, friendly, yet professional working with us. We're familiar with working with a variety of different sized businesses from one man bands to big companies. Whatever your requirements, we'll focus on return on investment and suggest a marketing proposition to suit your business and your objectives. Kahootz Media has creative and skilled personnel based in Norwich and London - but we work with clients all over the UK and even abroad - such is the ease of communication in 2016.
