Dyslexia & Learning Difficulties Many dyslexic and students with learning difficulties unfortunately already have the fear of the word 'Test' which is usually the first major stumbling block. Unlike many tests the Driving Theory Test is not like an aptitude test where random questions and scenarios will appear. All questions on the Diving Theory Test are based on the Highway Code and if this information is studied the answers can be found. What students with dyslexia and other learning difficulties find they may struggle with is when attempting the Theory Test. Retaining Information learnt

How the questioned is phrased

The Spacing of the questions written

The color of the questions written

The pressure of answering in time Safe2Go 1:1 Theory Training can help towards you passing your Theory Test Using visual images, videos and illustrations as aids we can adapt our teaching methods to work with your learning strategies. The most important aspect though is patience from the tutor and their in depth knowledge and understanding of the students learning strategies and attempting teaching methods accordingly. Hazard Perception: We have a superb way of getting you to understand the hazard perception test and will teach you techniques that work with your learning strategies. throughout the tuition we can assess if special requirements may be available at the DVLA Test Center in order to help

you take your theory test. Prices from just £10/hr.
