Just bought and replaced the whole housing for my girlfriend but she has now upgraded so this lovely iPhone 5 is up for grabs.

Not a mark on the housing as it is brand new. Screen is used and has a very small crack on the bottom left but you cannot even feel it and it is not in the screens viewing area(Minor).

The sleep button is not working but this can be done on screen so don't effect the phone at all.

It's unlocked to all networks, is perfectly working and has been reset. NO SCAMMERS, NO PAYPAL, NO POST!! CASH ON COLLECTION OR DELIVERY POSSIBLE! £150 ono;
