At the Sydenham Floor Sanding, we're committed to offering all the different wooden floor maintenance and repair services you might need, from specialist services for commercial and residential premises, to parquet floor repairs and protective finishes. We put a real passion for perfection into everything we do, so you can be sure that you're getting the best quality service, delivered by experienced professionals using the very latest equipment and eco-friendly finishing products.

Our specialist wood floor restoration services include:

- Precision floor sanding; with the capability of re-surfacing large commercial floor areas quickly and efficiently.
 - Application of a wide range of floor finishes including stains, oils, waxes and lacquers.
 - Repair of damaged or missing flooring with matching reclaimed timber including extending of wood and parquet floors into other areas.
 - Delicate sanding/cleaning methods that will retain the patina of existing floor surfaces.
- Give us a call to book your no-obligation on-site assessment today, if all of this sounds like the kind of floor restoration company you want to do business.
