Had this BMW for 3 years. Served well. Unfortunately have to sell it now as there is an ignition problem -won't start. Looks like the starter motor has packed up. Not cost effective to get a new motor and labour.

The engine is sound & on its own is worth about £ 250. Gearbox is worth about another£ 200. Hence selling for a bargain price of £ 520 ono - Cash only

No px deals/ No swaps as I have already bought another.
