This is an advert for my Audi A3. I have had it for just over 3 years. It has solid engine and has never let me down, this is 2.0tdi sport half leather half suede, 6 speed surprising good on fuel. Unfortunately the clutch has gone and needs replacing. I have a second car for work due to costs will not will investing in new clutch hence selling at reduced price. The interior is scruffy aswell as bodywork has a few knocks as shown in pictures TLC required . Part service history, 3 previous owners. Obviously the car cannot be driven because of clutch. Price reduced to sell £1000 no!!!
