Here we have an immaculate 2012 Big Bang R1. With so few miles on the clock, the bike is only just run in. The bike is in untouched/standard condition, just as it came out the crate. This bike has a documented service history and has had no expense spared in maintaining it. The bike comes with all original keys and manuals as were supplied new. The paintwork is in great condition and has been fully polished by our on-site valet. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. This bike is fitted with an Anti Lock Braking System (ABS), giving you more confidence while riding. The Bike comes as standard with Traction Control which allows for better acceleration control and cornering stability giving you confidence when riding. This bike comes with selectable power modes. Meaning you can flick between different fuel maps while riding changing power delivery to suit different riding conditions. A steering damper has been fitted to help calm the front end and give you more stability and confidence when pushing on. A Tail tidy has been added to the bike to give a more racing look and de-clutter to back end. Fitted with a seat cowl, this gives the bike a sportier appearance. This bike has a digital instrument display making it quicker and easier to see your riding information while riding. Also comes with a integrated gear indicator telling you what gear you are in at a quick glance. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock.
*NOTE: Alarms can be fitted to any bike at an additional**
