Here we have an excellent Yamaha MT 125 ABS. With so few miles on the clock, the bike is only just run in. Only one registered Keeper from new. The bike is in untouched/standard condition, just as it came out the crate. This bike has a documented service history and has had no expense spared in maintaining it. The bike comes with all original keys and manuals as were supplied new. The paintwork has a few small stone chips but you really have to be looking for them to notice. This bike is fitted with an Anti Lock Braking System (ABS), giving you more confidence while riding. This bike has a digital instrument display making it quicker and easier to see your riding information while riding. Also comes with a integrated gear indicator telling you what gear you are in at a quick glance. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know!
