Here we have a great example of a Yamaha T-max that has only covered 3155 miles from new by its former keeper. The bike has a full service history and has been serviced at 564 miles, 1800 miles and 2975 miles. The bike has been HPI checked and a Certificate will be presented with the bike. A Givi top box has been fitted to this bike, very useful for commuting to work or carrying your waterproofs in case the rain comes. Also fitted with a centre stand to make washing and maintenance a whole lot easier. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
