

# 1 Bedroom flathouse wanted for couple in bristol (700 GBP)

Location **South West, Avon**  
<https://www.freeadsz.co.uk/x-289133-z>

1 Bedroom flat/house wanted for a couple in Bristol.

Wanted to rent and for as soon as possible.

If pets are allowed it would be a huge bonus (cat/caged house pet)

Budget would be up to around £700 a month, if anymore could negotiate?

Within the city centre or near Bedminster/Ashton would also be great, but a bit further away could also be considered.

Both working.

Any offers would be much.
