

Gastric sleeve, gastric bypass in Poland

Location **London, London**
<https://www.freeadsz.co.uk/x-289143-z>

Our doctors have recently treated patients from many different countries, including: Scotland, Ireland, Sweden, Saudi Arabia and Ukraine, among others. These Medical Travel Poland patients have decided to come to our clinics for: gynecomastia treatment, gastric sleeve, dental implants, urological & ortopaedic & general surgery consultations and diagnostic tests. Please visit and share our FB funpage fb.com/medicaltravelpoland We will be happy to present you short movie with our patient from Sweden, who had a gastric sleeve surgery in February, in Katowice - the city of gardens! We are sure our bariatric surgeon could help many people struggling with obesity. Please consider and share this information with your friends, especially if there are obese people in your enviroment, we will offer them free consultation! Write to us about your health problem, we will be happy to assist you:
 +48 739 456 590 - for English speaking patients
 +48 739 456 592 - for English & German speaking
