Location **Scotland, East Lothian**
<https://www.freeadsz.co.uk/x-289266-z>

ABI have taken the popular Prestige and after customer feedback improved further various aspects of our wheelchair friendly holiday home. Upgrades include a bigger bathroom, better positioning of handles & fittings and a new improved shower. The lounge has been given new soft furnishings providing a seasonal lift and enhanced appeal. Everything about the Prestige is immediately accessible and provides a safe space to allow freedom of movement and comfort for all. From the wide, 2 panel door entrance leading through to even wider aisles, to the open plan lounge with its moveable dining furniture, to the kitchen with low level sink and worktops, every detail has been carefully researched, planned and tested. The twin bedroom allows for one bed to fit under the other to provide space and the master bedroom includes a patient helper for assistance getting in and out of the beds. The bathroom, now larger, features a low threshold improved shower with half doors, along with adjustable seat and re-positioned grab handles, as does the WC. For more information about the caravan or to arrange a visit to the park, please feel free to contact me, Lachlan on 07507 688 712 or E-mail [email]
