New shape Ford Focus Edge, in very good condition. There are a couple of very light scratches to the rear bumper and a very small dent on the rear bumper. Also a little scratch on the near side rear door. It has alloy wheels all in good condition with good tyres. It has tinted rear windows. Electric front windows and mirrors. Inside is immaculate with a CDPlayer/radio with air conditioning. It has full service history and recently serviced. The MOT runs out on 5th November 2016. We think the first to see will.
