This is a great example of a Suzuki Baleno GS Sport. It has a long MOT until December and a full service history with lots of work done in recent times including: 12,000 miles ago had a new clutch, head gasket, cam belt, rear brake shoes and a full service. Just had a service with 2 new rear tyres. Front tyres and brakes in good condition. The bodywork is in good condition for its age with a nice shine to the white paint. The interior is also very clean as can be seen in the photos. All viewings welcome. Any questions please don't hesitate to call, my name is
