

Professional Kitchen Installation

Location London, London https://www.freeadsz.co.uk/x-289469-z

We offer a complete and professional kitchen installation service, including all associated building works. All leading brands fitted; Wren, Magnet, , Wickes etc. 30 years fitting experience with Moben and MFI, photo portfolio of recent projects, references and local work available to view. We have a qualified electrician and issue all certification where required, and an ex-British Gas fitter for all gas work. We can also offer a highly competitive supply and fit service if you have not yet purchased your furniture.
