Have you always wanted to sing, but never had lessons? Are you a singer and want to improve? Are you a student, a businessman or a teacher who often has to speak in public and wants to have a greater command of his own voice? Study singing must be a joy, a moment of relaxation and estrangement from everyday routine. A moment focused only on yourself and your well-being. Through my method you'll discover, simply and naturally, how sing is nice and easy. You'll learn how to study singing with awareness, become masters of your own voice and, working on personal uniqueness, release emotions. Being sure to keep healthy your vocal cords, you'll get to know this wonderful instrument: your.
