Hi I'm selling my elderly fathers BMW 316 compact which has only done 62000 from new and is in excellent rust free condition and would put most 3 year old cars to shame and the interior is as good as the outside with no bolster wear etc and its only just had new blaupunkt stereo fitted recently. It comes with an mot till next March 2017 which it passed with no advisories and is maintained regardless of cost with a good service history and I doubt a better E36 can be found...
