We have just got another sofa, so this one is surplus. This is a good quality piece of furniture, (original cost £1200) which is designed for pure comfort, with a high back so you can rest your head and fall asleep in front of the TV! The very solid wooden frame holds the leather unit which can be lifted out in one piece. The dimensions are 200cm long, 100cm back to front and 96cm high. The leather is mostly in good condition with one very small cut about 1cm long and some worn stitching, so asking only £20 to include delivery if required in the Portsmouth.
