This is a sweet 4x4. Front 4 wishbone ball joints have been replaced.(major job). It has 4 tyres replaced last year. Fitted with rear sensors. Engine had new oil filter and fully synthetic oil. so no wear on engine and very easy turnover. She is auto with selection for 4 wheel drive,manual selection if required. Electric blue paintwork,still a very good looker. Sunroof. Daylight running lights fitted. M O T expires on 16\10\2016. Spare rear number plate for caravan or trailer. stereo radio cd\player. obviously a towbar with double electrics. This is still a fine car for towing or off-roading (if required) she has the BMW 2.5 engine which is fairly bulletproof. She starts and runs fine with no smoke. I am asking £1350 ovno Please no re-advertisers or time wasters. ;
