Here we have a Renault Clio Extreme 1.2 this car drives well and has had a recent Cam belt change at 70,000, the car has now covered 89,000. This car has a few age related marks and a dent on drivers side back wheel arch which should be seen in pictures. Car is a category D but has been identity checked and substantially repaired and comes with an MOT until December 2016. Ideal first.
