Hello, Available is a Kia Sportage in Excellent condition, with 93500 miles on the clock (still in use). It comes with a Full Kia Service History and the remaining Kia Warranty to March 2018 or 100,000 miles. The interior and exterior have been well looked after and only very minor marks on the exterior and one small tear in the the leather in the interior. It has been a fantastic family car and we are reluctant sellers, the reason for sale is to swap to a Kia Ceed Sportswagon as my wife is a community nurse. We will consider all sensible offers and are happy to answer any questions.
