Location **South West, Devon** https://www.freeadsz.co.uk/x-289951-z

2010 (59) A absolutely stunning example of this amazing machine that is loaded with extras including Racefit Exhaust System,Double Bubble Screen,Seat Cover,Tail Tidy,Crash Protectors,Renthal Chain & Sprockets plus lots of Carbon. Only 7200 miles from new and the bike has rectently had a oil and filter service plus new tyres so is ready to be enjoyed by its new owner. You wont find another like this and only £8695, BMW's S1000RR is the German company's first venture into modern superbike territory and what a serious effort it is. Although it shares similar technology to the competition (GSX-R1000, Fireblade, ZX-10R etc) of dohc, 16-valves, stacked gearbox and so on, the engine delivers a mighty class leading claimed 190bhp at the back wheel. Add a good gearbox, impressive fuel injection and electronics, it all adds up to make the BMW shine brightest. As for handling; the S1000R was launched at Portugal's Portimao circuit and couldn't be faulted around one of the most tortuous tracks going. Condition: Used

Crash Protectors, Double Bubble
