Ford ranger wildtrak 3.0 diesel 2008 plate Mot 31/03/2017

Mileage 215 000

Service history

Armadillo back Few age related marks as would be expected from age and mileage. Could do with a propshaft bearing as slight vibration, overall in very good condition, had a new head fitted beginning of 2015 along with cam belt etc One previous owner, although it was a pre registered vehicle to the dealer so shows 2 previous owners. High mileage due to previous owner traveling overseas on a regular basis. Mot advisories slight oil leak from rocker cover gasket and slight free play in steering For sale at £
