River Hoblin

Hoblin Fish Charmer by Julian Jeffrey.

WATER FEATURE River spends all his time at night by the garden pond. When no one is around, he will put the conch shell to his lips and play a haunting melody. The fish in the pond feel attracted to the music and rise to the water's surface. River likes to watch the fish dancing through the water, their scales shimmering in the moonlight. River is approximately 32 inches tall, hand-crafted in bronze. IN STOCK READY TO
