Here we have an immaculate 2008 ZX6R Ninja. Only one registered Keeper from new. The bike is in untouched/standard condition, just as it came out the crate. The bike comes with all original keys and manuals as were supplied new. The paintwork is in great condition and has been fully polished by our on-site valet. The bike comes with a factory fit immobilizer, this stops a cloned key or screw driver being used to start the bike. A Hugger has been fitted not only for looks but to keep the dirt from the road hitting the paintwork. Top spec engine protectors have been fitted just in case the worst should happen. Saving your panels and wallet from taking a battering. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket. This bike has a digital instrument display making it quicker and easier to see your riding information while riding. Also comes with a integrated gear indicator telling you what gear you are in at a quick glance. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. *NOTE: Alarms can be fitted to any bike at an additional**
