Here we have a great example of a Triumph Bonneville America that has only covered 8846 miles from new by its three former keepers. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork is in great condition and has been fully polished by our on-site valet. The bike comes fitted with a sissy bar, pillion back rest and front and rear foot boards, your passenger will be as comfortable as you are. The bike has also been fitted with heated grips, a blessing on those cold days. A pair of saddle bags are also fitted to this bike, very useful for commuting to work or carrying your waterproofs in case the rain comes. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
