Drum Kit Tuition Mentoring (30 GBP)

Location **South East, Kent** https://www.freeadsz.co.uk/x-290117-z

I'm a former professional drummer and classically trained musician with many years of teaching, sessions, touring, shows and live performances. If you have your own gear at home I can visit you to see if I can help and offer practical advice from my experience to make your experience of playing music more.
