Foresight Risk Management LLP is a local company who offer Construction Health and Safety courses to individuals and organisations who require a green CSCS Labourers Card for themselves or their employees. If you are in a labouring occupation, you can take the Site Safety plus route when applying for the new card. This Site Safety Plus course is a popular route for anyone looking to take their first step towards obtaining a CSCS Labourers (Green) Card. This one day course can be for those who have entered, or are about to enter, the construction and civil engineering industry. The course gives delegates an awareness of health and safety and how it affects their daily role. The cost of the course is £168.00 inclusive of VAT. This includes a light lunch, CITB registration, certification and GE707/16 publication. The next courses are on Friday 8th April, 6th May & 10th June 2016.
