Adorable pups two girls and three boys. These little Teddy Bears are known as Pug shires. Mummy is my much loved Yorkshire terrier and Daddy my very handsome Apricot Pug. Puppies and parents are my family pets. We have two very pretty little girls and three handsome boys. As adults they should be small and compact little dogs. Pups are being weaned on Royal Canin puppy. They will leave me after having their vet check. Each puppy will have 4 weeks insurance, puppy bag of toys, blanket and extensive paperwork on taking care of your new fur baby. Pups have been wormed regularly since they were two weeks old. They will be ready for their new homes at eight weeks on 30th March. If you decide after viewing the pups along with mum and dad that you would like to welcome one into your home I ask for a £200 deposit to secure your puppy. Please take note deposits are not refunded if you should change your mind. Please telephone if you would like to visit . ;
