Social Media Websites are a powerhouse of information. Today social media sites bring people together from across the globe, connecting more people, striking a conversation & bringing everyone closer. You might want to develop your own social media website for your neighborhood, or city based social media site, or a community driven social media site for organic farming or LGBT Rights - it's all possible today! SDI is a leading app development & web design company encouraging startups and entrepreneurs on a daily basis, helping them grow. Many of our apps have been featured in TIME magazine & USA Today. Our leading clients are Pepsi, Stanford University, Paris Hotels and Louis Vuitton to name a few. <http://www.softwaredevelopersindia.com/custom-website-design.html> Call on +1.408.802.2885 or email & share your idea with us. We will get in touch with you right away sharing an NDA before we engage in a further conversation. Game on! Find out more how to develop a social media site: <http://www.softwaredevelopersindia.com/blog/powerful-formula-how-to-build-a-social-media-website/> We develop app and web solutions to fit all budgets for small & large businesses: <http://www.softwaredevelopersindia.com/pricing>
