For Sale Honda CBR 600 that was in need of some major body work so the decision was made to turn her into a Streetfighter. This took the previous owner 2 years on and off, the strip and rebuild was completed in 2014 when it was MOT'd and put back on the road. Since the rebuild she has had a new headlight unit and clocks fitted as the first set failed to operate correctly. (Speedo is in KPH), the original clock set and exhaust. The bike is a real pleasure to ride and a head turner. MOT'd till July 2016 Cash on collection. Call 07789 772871 with any Qs. I have other pics available on request. <https://youtu.be/Sjsqd6pt5po> Video of strip and rebuild Helmet, gloves, jacket and waterproofs also available if you want
