## Large Hardwood (possibly oak) Vintage Property, House or Farm Sign (add your own

Location Wales, Powys https://www.freeadsz.co.uk/x-290648-z

This is a vintage farm sign built 25 years ago. It has never been used and has been stored in the back shed. It was made by a very good carpenter and as can be seen from the photographs, has been assembled to perfection. For use, all the purchaser would need to do is to add new.
