## Peugeot 106 1999 5 door petrol for sale or possible spares and repairs (200 GBP)

East of England, Cambridgeshire Location https://www.freeadsz.co.uk/x-290681-z

Well looked after and now selling due to an upgrade. MOT until the end of the month but has got an unknown issue which is causing it to rev a lot but this has not yet been investigated which is why it may be a possible spares and repairs car. Has a dent on the drivers side passenger door but this effects nothing except cosmetics. Could include a good stereo at a little extra if wanted. Only serious questions and offers please.;
