I have for sale my kiddicouture cot bed which is in good condition. Purchased from kiddicare and is well made and served its purpose admirably. It comes complete with mattress which has always been covered with a waterproof protector (included in price) and storage drawer for underneath. I do have some bedding as well if required, including cotbed duvets..it is fully adjustable so it can be altered to suit the child's age and once the sides are no longer required they can be removed to make a bed for your toddler.. I have 2 available and the price listed is for 1. If you have any questions what so ever please just ask. Collection only from Kettering. Possibly deliver if.
