I am looking for a two bedroom property in the swindon area, for myself and my 17 month old daughter. I am currently at university completing my degree before moving on to teacher training. I am also in the process of launching a cosmetics business. This being said I do currently receive housing benefit, but this won't be the case long term. I can provide excellent references, having always worked full time in retail management (it is only since going back to university and having my daughter I have had to claim anything) and having rented privately for many years. I am able to provide any deposit/fees up front as well as a guarantor should it be required. I hope to hear from you! Kate
