I live in Uckfield and offer tuition in Maths up to GCSE level. I can tutor at my home or come to you - I serve a 10 mile radius. I have a degree in Mathematics and Economics (1st Class) and have been in a highly numerate profession for nearly ten years. I am also fully DBS checked. I enjoy imparting knowledge to others and helping pupils fulfil their potential. I am friendly and supportive and enjoy helping those with less confidence. I have availability throughout the week, providing tuition both in the daytime, evening and weekend. ;
