VW CADDY Key Facts Year of Manufacture 2004: Mileage 190429 miles on the clock, CD player, ply wood in load area Manual 1.9 Diesel MOT until August 2016. Slight damage side door & Slight rusty in places. This Van as never let me down it just keeps going and going. Unfortunately I have to let it go due to space in the work. This would be ideal for stop gap or light work fork DIY person around local area. However I've driven it all over England and it just won't stop!;
